

About Franklands

Franklands Insurance and Risk Management are leading chartered insurance brokers, providing forward thinking insurance solutions to a wide range of clients. It is our attention to detail, dedicated claims handling service along with our personal touch that makes us stand out from our competitors.

At Franklands Insurance and Risk Management, we invest time in getting to know you and can build tailored solutions around your unique goals and challenges to provide security and peace of mind. Our clients range from individuals and sole practitioners to small and medium-sized enterprises as well as large corporations.

In 2017 we became part of PIB Group, a dynamic group of specialist insurance advisory businesses. PIB Group provides Franklands Insurance and Risk Management with access to additional expertise, markets and group negotiating strength which we utilise for the benefit of our clients.

“Becoming part of PIB Group has enabled us to further enhance our client proposition.”
